Land manager: Coronado National Forest — Santa Catalina Ranger District, 520-749-8700
Route: FR 736 (Charouleau Gap Road #736)
Status note: The Forest Service page for FR 736 (updated 2025-12-29) gives year-round use and 4WD only but no site-specific open or closed status, and lists no site alerts. It describes the road to Charouleau Gap, not the full run down the Canada del Oro to Oracle. The Coronado NF alerts page checked the same day lists no order titled for Charouleau Gap. FunTreks still mentions a June 2020 Bighorn Fire closure, which is past.
